

9/9

Extra credit opportunities are rare. It is important to keep up with the assigned work, participate in class, and turn it in any homework on time!

Currently, students may bring in some items from the Classroom Needs List (below) in exchange for a late work pass. The late work pass will allow you to turn in an assignment past its due date for no reduction in the grade.

Classroom Needs List:

*** tissue, scotch tape, glue sticks, colored pencils***

If you'd like, please bring in **no more than 2** of these materials by **Friday, September 13th**

Electronic Devices

Jeannette Junior High implements a **NO ELECTRONIC DEVICE** policy. You will not need to bring your electronic device into our classroom. It should always remain in your locker.
